RE: Round 1 of the City of Fresno's save our small business program

Dear Business Owner,

You were awarded a forgivable loan pursuant to Round 1 of the City of Fresno's Save Our Small Business Program. This loan was scheduled to be repaid by April 30, 2021, unless certain conditions were met. The forgivable loan was converted to a grant by Resolution 2020-154 on June 25, 2020. As such, the money does not have to be repaid regardless of whether you meet the conditions for loan forgiveness. This letter is to notify you that your loan has been satisfied.

We recommend you consult a tax professional regarding any potential tax consequences. If you have any further questions, please contact us at (559) 263-1351.

Sincerely,

Access Plus Capital
